

the stamp store 2011 TRAINING

☆ **Stamping**TBA

Learn what mix designs and admixtures to use for durability and profitability. This class will cover stamping tips and tricks, many ways to color, monolithic borders and ribbons, inlays, logos, step retardation, problem solving and problem preventing, pricing, and marketing. **Price: \$350 for 1.5 day class.**

☆ **Stamped and Carved Vertical** **June 3**

Learn the many and varied uses of the SS Vertical Mix, how to prep, reinforce, apply, stamp, carve and color for rocks, waterfalls, interior and exterior walls, fences, & fireplaces. You will be using SS Vertical Mix to create an outdoor kitchen. ***Price: \$250 until May 3, \$295 thereafter.**

☆ **Outdoor Kitchen Countertops**..... **August 5**

This class will teach the versatility of concrete specifically for outdoor use. Coloring, reinforcement and protective coatings as well as polishing and special effects will be taught. ***Price: \$250 until July 5, \$295 thereafter.**

☆ **Decorative Overlays and Stains** **December 2**

Learn the art of surface prep, both chemical and or mechanical. Discuss how to choose the right products for the job. Coloring and sealer/coating choices are explained and explored. Learn the advantages of acid stain, water borne stain and dyes, when and where to use them, and in what sequence. Know what sealer or coating to use for what type of floor. Learn how to do a proper estimate of a job as well as efflorescence and how to deal with it. ***Price: \$250 until November 2, \$295 thereafter.**

☆ **Countertops, Sinks, and Tables**.....**November 11**

This class will teach the versatility of concrete as a countertop, table, shelving, back splash, baseboard, fireplace surround, sink and sealer material with both in cast-in-place and pre-cast methods. Coloring, reinforcement and protective coatings as well as polishing and special effects will be taught. ***Price: \$250 until October 11, \$295 thereafter.**

☆ **One Day Floors****October 21**

This class emphasizes the importance of floor forensics, surface preparation, and proper selection of the One Day Floor systems to meet specific project conditions. The One Day Floor's Moisture Mitigating system is explained and how it reduces vapor transmission of more than 10 pounds to less than 2 pounds. Learn how to properly apply this versatile material. ***Price: \$250 until September 21, \$295 thereafter.**

☆ **EZ Top****October 7**

Learn to quickly transform an ordinary existing countertop (without tearing it out) to a beautiful and hard wearing concrete countertop using the specially formulated SS Specialties EZ Top Resurfacing System. ***Price: \$250 until September 7, \$295 thereafter**

☆ **FREE! Contractor Days**..... **May 13, July 15, Sept 16, & Nov 4**

Each Contractor Day from 10-2 pm will feature different manufacturers and their reps to tell you more about their products and show you first hand how they work. It's a great time for contractors to ask questions and get a free lunch! **Not \$250/Absolutely FREE!**

* **Class discount is given when participants buy 3 classes and receive the 4th class free!**

Important Details for OKC Training

Cost: All one day classes are only \$250 each when paid 30 days prior. After that, the class cost goes to \$295 each. Class discount is given when participants buy 3 classes and receive the 4th class free! The cost of the 1.5 day stamping class is \$350.00 when paid 30 days prior, or \$395.00 thereafter.

Reservations Required: A spot is reserved with payment.

Cancellation Policy: The Stamp Store requires 14 days advanced notice for cancellations in order to fill any last minute positions left open. Any cancellations, including no-shows received after the 14-day cut off period will be charged \$50 per class.

Lodging: The Stone Garden Hotel provides discounted room rates to all Stamp Store training attendees. When you call to make your reservations you will need to let them know that you are attending The Stamp Store Training. The contact information is as follows:

Stone Garden Hotel & Conference Center
6200 N. Robinson
Oklahoma City, OK 73118
405-843-5558

Lunch: The Stamp Store provides lunch each day. If you've ever been here before, you know this is a special daily treat.

Training Times: Training begins at 8:00 AM each morning. The training will conclude around 4:30 PM each afternoon.

Class Size: Class size is limited in order to maximize the hands-on learning experience.

Trainers: We have a variety of trainers. Stamp Stores head trainer, Tim Frazier will be in the lead for most classes and of course, The Stamp Store owner Doug Bannister will also be on hand. Our bilingual trainer, Sal Charqueño will be available to translate all information as needed.

Purchases: Our training is far more informational and educational than sales oriented. However, we are available to assist you in choosing materials after the class. Please have your order form completed and ready before the end of the training session if you plan on taking materials with you.

Discount: Purchases made during the class and up to 1 week afterwards receive a 5% discount for participants.

Note: You have a full week to get your discount on your first purchase after attending the training. If you choose to drive you may want to consider taking your products with you to save on freight costs.
