When making a

# Disability Insurance Claim

Thursday, July 28  
4:00pm-5:30pm  
401 Watt Avenue  
Sacramento

Space is limited; reserve your  
seat now! 916-290-9430

An insurance denial is the last thing your client should have to deal with when battling a life altering disability!

Join insurance attorney Eric Ratinoff for a short seminar presentation, with refreshments, networking, and a question-answer period. **This course is eligible for 1-hour of Continuing Education Credit.**

Answer your clients' questions with ease.

### Topics covered will include:

- Documents needed for a successful claim
- Total Disability in terms of "own occupation" vs. "any occupation"
- What are the insurance company's legal duties to your client?
- The insurance company's defenses to coverage
- What if the insurance company refuses to pay the whole claim?

KERSHAW | CUTTER | & RATINOFF | LLP

## About your Speaker...

Eric Ratinoff represents plaintiffs in all areas of insurance bad faith and personal injury litigation. He has successfully tried and settled numerous cases on behalf of his clients, earning large recoveries in the following: bad faith denial of insurance claims involving disability, health, auto, property, long term care, business, fire, property and casualty, commercial and life policies.
