## Corporate Template Program

### Multiple Store Locations? Create Custom Signage Online!

**Problem:** How to you protect your corporate trademarks and color scheme, yet allow local store managers to modify pricing and localize promotions?

**Solution: MAKESIGNS.COM Corporate Templates**

We'll design free templates using your logo and color scheme and store them on our password protected system. Local stores or sales reps can then use the designs to create and order custom signs interactively online. We print the signs on heavyweight water-resistant paper and ship them in sturdy mailing tubes. Using this method, a single sign can be created for a specific local promotion, yet the logo and color scheme for the sign are pre-approved. Plus you get instant online reports showing who's ordering signs and the content of each sign.

• **It Saves Time**

- Signs are printed and shipped the SAME DAY they are ordered online.
- You don't have to spend time creating art for each individual store.

• **It's Easy**

- Just choose the sign template, fill in the blanks and see a full color preview instantly online. You can go back to make changes or proceed to order the sign online. Visit MAKESIGNS.COM today and play with the sample corporate templates we've placed online.
- Users can design and order signs 24 hours a day from anywhere. Make a sign from home or from your laptop when you're on the road. No surprises. An instant WYSIWYG preview shows exactly how your sign will look.
- Choose from a variety of sizes and media options.

• **It's Inexpensive**

- Professionally printed full color output at unbelievably low prices! The price for one full color 24" by 36" sign on our economy paper is only \$8.95. There's **no minimum order** and quantity discounts are available. Signs can be shipped anywhere in the US for as low as \$6.
