Location:	Lymington, Hampshire, United Kingdom	Fuel Type:	Diesel
		Total Power:	460 hp
		Number:	3786595

Shaken Not Stirred

Offers are invited for this piece of film history. The actual Superhawk 34 used in the chase scenes on the River Thames in Bond's "The World is not Enough". She was returned to Sunseeker after filming for a complete refit, and was fitted there with a plaque proving her authenticity. This boat is bound to create a lot of interest worldwide as a collector's piece, and she is also a pretty nice boat! Excellent performance from her 230hp Volvo diesels

(only 168 hours run), and overall in very tidy condition. <http://www.youtube.com/watch?v=I-Tdmtx54PY>
