R eminiscent of days gone by, this iPad app incorporates the classic Christmas activities from the books we all played with as a kid. "Santa's Christmas Activity Book Lite" incorporates some of the fun features and has adapted one of the ideas into a fun interactive educational holiday activity for children of all ages.

The Lite version gives a hint of what the full version of this iPad app is like. It spotlights the Christmas tree decorating activity. Drag and decorate the tree with ornaments, candy canes and gingerbread men. Place toys and presents under the tree and don't forget to put the star on top! The lite version includes the introduction music as well as the in-game music with parental controls to disable the print and email features. "Santa's Christmas Activity Book Lite" is a must for children that will engage the spirit of the holiday and is great for families traveling to visit grandparents or relatives.

App Features:

• Designed for kids 3+
