

BTS001 ClearBlue™ Mini-Speaker

Wireless Bluetooth Stereo Speaker with Microphone

Your personal wireless speaker for music, TV listening and hands-free 2-way speakerphone use with your cellular devices.

The ClearBlue™ wireless Bluetooth speaker system ably combines elegant design, minimalist aesthetics, and remarkable sound quality at an affordable price. The unique combination of features creates a powerful solution. Listen clearly to your music, TV or even your cell phone calls from a distance of up to 10 meters. Wirelessly stream music from any compatible stereo Bluetooth device such as your mobile phone, notebook, iPhone or iPad. Operating on AA batteries, the ClearBlue is perfect for travel as well providing 15 hours of non-stop use.

The ClearBlue speaker brings the sound closer to you, reducing the signal to noise ratio, offering a refined, clear, brilliant listening experience.

I Hear. I Connect. I Belong.™
