Ultra-Mobile, Ruggedized, Powerful...
Another innovative product from 2goPC that's ready 2go to work, to school or wherever life takes you !

2goPC's newest classmate PC
The new 10" 2go® Classmate PC E12 is the newest netbook from CTL. The 2go® E12 is ideal for education, mobile workers, and people on the go.

Powerful design benefits from years of research
2goPC has worked with ethnographic researchers who have carefully examined every aspect of the design. Key features like a carrying handle, easy to hold texturized surface, and reinforced corners for added protection. Every aspect of the new 2go® E12 has been carefully designed to maximize your investment.

Best of Class features
Intel's new Atom™ N2600 processor offers nearly a 40% increase in estimated battery life over previous netbooks. Featuring up to 2GB DDR3 memory, and anti-microbial protection, the 2go® E12 is ahead of its time.

Peace of Mind
Fully configured, the 2go® E12 includes a full 1 year parts and labor warranty, further lowering the total cost of ownership. Also your configuration can include custom imaging, extended warranty options, asset tagging and end of life management.

Antimicrobial Protection

Keyboards tend to get dirty. This keyboard can be wiped down to remove germs & contamination. For added protection, it'streated with an antimicrobial protective coating to protect from germs.

Educational Software (Windows® Only)

When used in an education environment, the 2go® E12 is available with a whole host of powerful education computing software for use in the classroom. Titles like Mythware offer e-learning classroom management, assessment and teaching capability. Also available are Theft Deterrent and Parental Control software from Intel®.

Webcam increases communication ability

Just because you're far apart doesn't mean you can't be in the same room. Enter the world of online communication and take advantage of the built-in high resolution 2.0 megapixel video camera to participate in a video conference, or simply chat with your friends face-to-face.

Ruggedization

The 2go® E12 was built to be used. Features like a scratch and water resistant LCD Screen, spill resistant keyboard and touchpad, reinforced corners, shock mounted LCD screen, and an easy to hold protective texturized surface safeguard your investment.
