

BRIDE LIVE™

How Busy Brides Do Business™

MEET YOUR NEWEST SALES TOOL!

A virtual video conferencing platform connecting you to brides everywhere!

Benefit from the most cutting-edge technology available to the wedding professional. BrideLive is a video conferencing virtual office designed to increase the efficiency and profitability of the wedding professional. Requiring NO downloads, BrideLive's web-based meeting platform is the ultimate tool to share videos and pictures with ease, interact with floor plans, review detailed planning forms, and best of all BOOK MORE BRIDES!

Leverage the power of a personalized meeting space to convert leads, grow sales and save time.

Wedding and Event Professionals all turn to BrideLive because it...

- Allows you to instantly invite a bride and her family into a meeting
- Connects you to brides in seconds, without asking them to download and install troublesome software
- Gives you the space to showcase your videos and pictures in an entirely new & interactive way

- Includes a suite of integrated multi-media tools that will help your wedding business grow quickly and profitably

- Meetings stay active until you end them, so you can log in and out and your items will remain in the room
