

## **Eminent Business Trainer Michael Bashi Announces the Release of His New Online [Affiliate Marketing](#) Training Program**

Ontario based marketing consultant and online business expert Michael Bashi has recently announced the official launch of his new [affiliate marketing](#) tutorial. The program named Affiliate Rollout has been developed for the aspiring marketers willing to kick start a home based business. The program provides simple video guides to establish a money making platform with the help of Facebook.

A brand new online [affiliate marketing](#) guide has just been introduced to the market by respected business coach and online marketing genius Mr. Michael Bashi. Affiliate Rollout, the recently launched program, has been perfectly tailored by Mr. Bashi to help the newbies start a home based business without having to spend a lot of money. The program is basically a three step video guide that teaches everything about setting up a profit making Facebook campaign. Interestingly, the program members receive a ready made money making platform from Mr. Bashi in 20 excellent Facebook campaigns and three highly professional Facebook advertisements for each of the campaigns.

[Affiliate marketing](#) is now widely accepted as one of the most lucrative online business platforms. Millions of people are always trying all types of tricks to ensure profitability to their affiliate business. Along with its popularity, innumerable training programs have also hit the market in the last few years. However, there are very few programs that have been created only for the debutants in the field. This low cost program shares the secret methods that Mr. Bashi has been using for years to earn a profit from his affiliate business.

Announcing the launch of the program, Mr. Bashi said, "I always wanted to create something for the beginners. This program will bring you success irrespective of your experience or knowledge". He also added that he is working on many more online business guides that will be released very soon. It must be mentioned here that the renowned business guide has already developed many highly popular training programs in the past. His new [affiliate marketing](#) tutorial is already showing signs of early success in the market. Official sources have informed that many aspiring marketers have already started using this program and have expressed their satisfaction about the program and its contents.

About the Company: The Affiliate Rollout is a recently launched training module from distinguished internet marketing expert Michael Bashi. This website has been created specifically for the beginners in the world of [affiliate marketing](#).
