About Us:

Rainforest Cruises is a boutique travel company, specializing in Amazon River expedition cruises.

Using our extensive experience of and affection for Latin America generally, and the Amazon jungle specifically, we have created an agency dedicated to bringing travelers to this magical wilderness.

We will work directly with you to tailor-make the dream vacation.

"It seems to me that the natural world is the greatest source of excitement; the greatest source of visual beauty; the greatest source of intellectual interest. It is the greatest source of so much in life that makes life worth living." ~ Sir David Attenborough

Why Cruise the Amazon?

Days are spent exploring lush tropical forests, either aboard a skiff or along hiking trails. With the assistance of expert, bilingual guides you will observe the Amazon's unique diversity of plant and animal life. Excursions may include visiting rural communities to experience the Amazon way of life.

Evenings are reserved for relaxation aboard your vessel, admiring breath-

taking sunsets with a refreshing beverage in hand. With luck you may witness river dolphins frolicking past, or parrots flying overhead. Dine on sumptuous meals in the company of your fellow travelers, while sharing stories of the day's discoveries. Enjoy the peace and tranquility of this raw, natural environment, and allow the magic of the jungle to indulge the senses.

NATURE: The diversity of flora and fauna in Amazonia is spectacular, and the access to information from your local, naturalist guides will bring it all to life.

ADVENTURE: Enjoy kayaking along narrow tributaries and fishing for piraña. Or, crossing a walkway hung in the jungle canopy after swimming with river dolphins.

CONNECTION: Take a meaningful retreat with loved ones, full of quality time and special moments with nature, to "recharge your battery," center your spiritual self, and gain new perspectives to bring back home.
