

Merchant/Vendor List – Raymond | Lawrence – April 2012

ASI (Art - Style - Innovation) offers the latest in bold and unique design, patterns, and décor for home and office. Whether you're looking for decorative trays, tables, pillows, bookends, or ornaments, ASI has it all in a wide range of shapes, sizes, and colors.

Crate of California offers California-inspired, original clothing and a taste of what the clothing industry has neglected since the early eras of American outfitting.

Fit to Print is inspired by high quality traditional newsstands, and will offer an extensive selection of the latest international newspapers, magazines, and periodicals each day.

K. Berwick is a resort wear line including swimwear and accessories. K. Berwick features vintage influenced designs that are informed by iconic bathing beauties Marilyn Monroe, Betty Grable, and Esther Williams, among others. The classic forms and flattering shapes of yesteryear are updated with bold colors and playful patterns. The one piece and two-piece suits are constructed with sturdy closures and manufactured entirely in the United States.

Katelyn Grayce is the epitome of the modern woman's personal closet, filled with flirty and fun fashions from Milly, Monrow, Addison, Weatherly, and Baily 44.

Los Angeles Sporting Club (LASC) is a one-stop shop for the fashion-conscious active man, featuring underwear, swimwear, casual t-shirts, and athletic wear.

Made 2 Measure Fashion (M2M Fashion) uses the best available fabrics from all over the world to help customers create their own distinctively styled garments. All garments are made by Master Tailors with years of experience in the custom made clothing industry.

Pavilion Furniture offers the finest contemporary, traditional, aluminum, and custom exterior and interior furniture collections. The company also provides slings, finishes, umbrellas, tabletops, and the ultimate in customer care and product maintenance.

Royale Projects offers museum-quality modern, fine, and contemporary art. The gallery has a solid reputation for building world-class collections of leading edge, emerging, mid career, and blue chip contemporary art.

sOUP Home is a collaborative product-centric home furnishings business. sOUP creates fully merchandised collections of bedding, flooring, and decorative accessories. They focus on the use of certified organic and sustainable materials that are conceptualized, designed, and merchandised in a cross-category lifestyle philosophy.

The Paul Kaplan Group offers a fresh approach to local real estate in the Palm Springs area. The Group shares a passion for architecture and modern properties, an eye for style, and a knack for spotting great deals, and is committed to providing customer service that's a cut above the rest.

Alpha Gear for Gents The ultimate one-stop shop for all things guy, and an all-encompassing men's lifestyle store highlighting the best of the best; from cashmere to kicks, bowties to belts, grooming products to gadgets, water bottles to wayfarers and everything in between.
