

Websites for Recruiters

The value that you provide stands out.

So should your website!

Here are some ways Hiring Hook can make **your website stand out:**

- Post jobs on your website for more exposure
- Allow job seekers to submit their resume
- Post jobs to LinkedIn, Facebook, and Twitter
- Content management system allows YOU to make changes
- SEO-friendly structure to drive more traffic
- Blogs to showcase your expertise in the market
- Testimonials to highlight success
- Recruiter bios to build credibility
- Contracting module to generate more business
- Newsletter sign-up form for more leads
- Website analytics to measure site traffic

We **ONLY** design recruiting websites and have **for over 15 years**. Hiring Hook websites are visually compelling and contain features to help you make **more placements!**
