

The leader in online recruiting software

Recruiting is a race...

And Big Biller can help YOU win!

Here's how:

- Email resumes into the software
- Add lists using the Contact Importer
- Full text searching of all resumes
- Geographic and radius searching
- Pipelines to track the placement process
- Planner to schedule activities and sendouts
- Email marketing using templates
- Hotlists to organize and categorize records
- Free training and support

The best part? Big Biller is **\$60/month** for the first user and **\$20/month** for additional users with **no long-term contracts**.
