Customer Portal *for SAP Business One*™

rediPortal is a self service customer portal solution that provides your customers 24/7 secure online access to important account information including order status, shipment information, invoices, payments, credit memos and account summaries.

With rediPortal your customers can:

- ⏰ View impotant alerts and announcements
- 🖨 View order status & print order confirmations
- 🚚 View shipping details and track shipments
- 💲 View & print invoices and credit memos
- ↩ Submit RMA requests
- ▭ View payment history and outstanding balances
- ✉ Send inquiries from the built-in contact page

Give your company the opportunity to excel in customer service while alleviating work from your customer service department, saving everyone time and money.

rediPortal features:

- ✔ Secure, personalized customer login
- ✔ Quick Deployment and Zero Administration
- ✔ Powerful Search function to quickly locate real-time Account Data
- ✔ Seamless Integration to your SAP Business One system
- ✔ Multiple language support

Fully integrated with rediSell
rediSell is a comprehensive and highly adaptable eCommerce solution complete with features to handle all of your company's B2B transactions.
