

Making a Difference, Leaving a Legacy

A Legacy for the Global Adoptee Community & Their Families

Did you know that 6 in 10 people are touched by adoption?

Our Mission

To promote and support organizations that serve as a resource to the adoptee community, create more awareness of the adoption experience, and inspire the next generation of adoptees to become leaders in the community

Community Support

As the **first and only national / global multicultural adoptee led foundation** (all board members are adopted whom are representative of the international, domestic, and foster care adoption experience), We aim to **streamline more post adoption resources** for adoptees and their families through the following five core areas of support:
