## **Opteamix LLC appoints Raghurama Kote as new Chief Operating Officer to strengthen its delivery and operational capability**

Opteamix LLC., ([www.opteamix.com](http://www.opteamix.com)) the Denver based IT Services company today announced a key addition to its executive leadership team with the appointment of Raghurama Kote as Chief Operating Officer. Raghurama Kote is a seasoned senior executive and successful serial entrepreneur, with more than 20 years of IT Outsourcing and Global Delivery experience. Mr. Kote will be based out of Bangalore and will be responsible for Operations and Delivery at Opteamix.

*Tony Hadzi, the CEO of Opteamix stated, "I look forward to working closely with Kote once again, as we continue to build Opteamix into a globally recognized IT services firm. Our previous experience has not only proven that we share in many values, both in business and philanthropy, but that we both strive to excellence and results for clients and ourselves. His business acumen including running global operations, building & growing services business and people oriented management style shall have a significant impact on Opteamix's growth and direction. All our employees look forward to working closely with Kote in his new role as COO of the company."*

Raghurama Kote has a proven track record with a growing list of corporate success stories to his credit. Kote's keen sense of business acumen is an outcome of his leadership roles as President of CIBER India, Founder and CEO of Iteamic, and as a Senior Partner at Ivega Corporation. He has been instrumental in developing and executing innovative strategies and systems that streamlined processes, optimized business capabilities, in his previous ventures. Prior to joining Opteamix, Mr. Kote had started Right to Live ([www.righttolive.org](http://www.righttolive.org)), a Not for Profit venture to raise monetary help for people from economically weak backgrounds who are in need of critical and expensive medical treatment.

*"I am very excited to join Opteamix at this exciting growth stage" said Kote. "Opteamix is a company with an amazing vision and values systems with huge potential for further growth. Together with Tony and the rest of the executive team, we have seen repeated successes and have developed an operating approach among us that is entrenched with integrity and trust to people and results. Opteamix has a very talented and passionate team with a proven track record. I'm looking forward to building a great company that will deliver significant value to our customers and nurture a sense of pride amongst our employees."*

Opteamix also announced that it will be involved with Right to Live as part of Opteamix's Corporate Social Responsibility by providing strategic, technology and infrastructure support. Niyogi Krishnappa, Partner Client services who is also responsible for the CSR initiatives at Opteamix stated *"We believe that our commitment to helping others, both as individuals and as a company is what sets Opteamix apart from other IT service firms, and we will provide time and expertise to organizations like Right to Live that share similar values"*
