

Define R4 - Window

The Fractal Design Define R4 is the latest in the Define Series of computer cases offering minimalistic and stunning Scandinavian design fused with maximum sound reduction, configurability and functionality.

Now featuring the option to have your Define R4 case with a large fully transparent window allowing you to display your setup in style.

The acrylic window side panel features the same clean, Scandinavian design as the case itself, and has a completely flat outer surface without any plastic bezel or rivets.

Key features

- High density noise-reducing material lining the acrylic window
- Patent pending ModuVent™ design allowing the user to choose between optimal silence or maximum airflow
- Top HDD cage (5 trays total) can be rotated 90 degrees or removed for additional airflow or to accommodate long graphic cards up to 430mm in length
- Three-speed fan controller is strategically integrated in the front panel and supports up to 3 fans
- Two Silent Series R2 fans included, featuring hydraulic bearings contributing to a longer life expectancy – Silent Series R2 retail fans will now come standard in all cases
- Wider case body that allows for improved cable routing behind the motherboard – now 26mm wide
- New tool-less front fan holder makes switching front fans a breeze
- Two SSDs can be mounted on the back of the motherboard plate in addition to the 8 slots in the HDD trays, for a total of 10 SSD positions available

General Specifications

Motherboard compatibility	<ul style="list-style-type: none"> • ATX, Micro ATX, Mini ITX
Front interface	<ul style="list-style-type: none"> • 2 - USB 3.0, 2 - USB 2.0 • Audio in/out • Power button with LED (blue) • Reset button • Fan controller (behind door)
Drive bay capacity	<ul style="list-style-type: none"> • 2 - 5.25" bays • 8 - 3.5" HDD trays - all compatible with SSDs • 2 - 2.5" extra SSD positions
Expansion slots	<ul style="list-style-type: none"> • 7 + 1
PSU compatibility	<ul style="list-style-type: none"> • ATX PSUs up to 170 mm deep when using the bottom fan location; when not using this fan location longer PSUs (up to 270 mm deep) can be used
Graphics card compatibility	<ul style="list-style-type: none"> • Graphics cards up to 295mm in length with the top HDD cage installed • With the top cage removed, graphics cards up to 430mm in length may be installed
Cooling / Ventilation	<ul style="list-style-type: none"> • 2 - ModuVent™ plates – two in the top • 6 - Fan positions (2 fans included) • Filtered fan slots in front and bottom
CPU cooler compatibility	<ul style="list-style-type: none"> • CPU coolers up to 170 mm tall
Additional information	<ul style="list-style-type: none"> • 26 mm of space for cable routing behind the motherboard plate • Thick rubber grommets on all holes on the motherboard plate
Colours available / SKU	<ul style="list-style-type: none"> • Black Pearl / FD-CA-DEF-R4-BL-W • Titanium Grey / FD-CA-DEF-R4-TI-W • Arctic White / FD-CA-DEF-R4-WH-W
Case dimensions (WxHxD) (mm)	<ul style="list-style-type: none"> • 232 x 464 x 523
Net weight (kg)	<ul style="list-style-type: none"> • 12,3
Package contents	<ul style="list-style-type: none"> • Define R4 - Window computer case • User manual • Accessory box

Cooling System

Front	<ul style="list-style-type: none"> • 1 - hydraulic bearing 140mm Silent Series R2 fan, 1000 RPM speed (included) • 1 - 120/140mm fan
Rear	<ul style="list-style-type: none"> • 1 - hydraulic bearing 140mm Silent Series R2 fan, 1000 RPM speed (included)
Top	<ul style="list-style-type: none"> • 2 - 120/140mm fans - positions also support 240mm radiators
Bottom	<ul style="list-style-type: none"> • 1 - 120/140mm fan
Fan controller	<ul style="list-style-type: none"> • 1 - integrated fan controller for up to 3 fans (included)
