

Area Rug Cleaning

Area rugs complete a room's look by adding warmth, color and texture to a space. Depending on a room's layout and furniture placement, your rugs can be exposed to heavy foot traffic. Keep your area rugs looking beautiful by calling **Big Red Carpet Cleaners** at +65 6241 9443 to schedule them for regularly cleaning.

At Big Red, we are equipped to properly care for all types of area rugs and Oriental rugs, giving them the specialized care and attention they deserve.

Our specially trained, certified technicians are experts when it comes to determining the cleaning methods best suited to your rug's particular weave, fibers and dyes.

We use the most advanced processes available today to thoroughly clean your rugs and remove any dirt, stains, or odors.

We also can apply our stain-resistant coating to ensure your area rugs will stay cleaner longer.

If your rugs need a little extra care due to long-term wear, we also provide re-fringing and re-padding services.
