

Persian & Oriental Rug Cleaning

Big Red will keep your **persian** and **oriental rugs** looking **beautiful** for years to come...

Big Red specializes in rug cleaning including: Oriental, Persian, Pakistani, Afghani, Indian, Antique, Silk and hand made. No matter where your Oriental rugs originated, you must take proper care to preserve the life of the rug. Protect your investment and stop the damage before it starts.

The dirt, grit, sand and soil trapped in the rug's nap and foundation act as an abrasive. Cleaning enhances the value and appearance of a rug and increases its longevity.

At Big Red, area rugs are treated individually with special attention, care and proper cleaning. At our state-of-the-art cleaning facility, we determine the best cleaning technique and method that suits your rug. Our technicians use cutting-edge technology processes in order to deep clean and revive the colors of your rug. We ensure your satisfaction with the best results and extend the life of your rug.
