ABOUT SLEEPTTEST.COM – SleepTest.com is dedicated to raising sleep apnea awareness in an effort to help improve and save people’s lives. This powerful online resource allows people to take an online questionnaire to find out if they may be at risk for having sleep apnea. In addition, SleepTest.com helps those who feel they are suffering from the condition to get connected to medical resources. It also assists those that have been previously diagnosed with sleep apnea and cannot tolerate their prescribed treatment option, as in cases of Continuous Positive Air Pressure (CPAP) Intolerance. Visit www.SleepTest.com for more information and to take a sleep questionnaire.
