

The best way to manage  
CONTACTS, CALENDAR  
& COMMUNICATIONS

All in one app.  
All on your iPhone & iPad.

FROM THE CO-INVENTOR  
OF ACT!, MIKE MUHNEY

VIPorbit is the best way to manage contacts, calendar, and communications on your iPhone and iPad. In the app, contacts, calendar and communications are seamlessly integrated, providing instant access to complete relationship details, quick scheduling, and effortless communication, including via social networks. With VIPorbit, you'll manage contact details with precision, take control of your calendar, and streamline your channels of communication.

From the co-inventor of ACT!, it provides mobile professionals with an affordable, easy-to-use, anytime/anywhere solution. VIPorbit for iPad is \$14.99 and VIPorbit for iPhone is \$9.99. There are free versions for both devices, limited to 100 contacts. Available at [VIPorbit.com](http://VIPorbit.com) or on the iTunes App Store.
