

Like cookie dough, only baked!

Pronounced "cookies," our Kukees can't be found in any ordinary jar. A one-of-a-kind decadent treat, lovingly handmade with the most wonderful, high-quality ingredients shaved, chunked and dipped inside, then freshly baked into a sinfully delicious delight. You won't find any preservatives or hydrogenated oils, just loads of heavenly flavor with three grams of fiber.

Each 3 lb. box of yummy Kukees retails for \$49
