

The Power of LEARNING

and it all starts with great classes, great teachers, and great products found at The Stamp Store

Contractor Classes:

enCOUNTER

February 21-22, August 22-23, & Nov 14-15

8:00 AM - 4:30

This two day class will teach the versatility of enCOUNTER Professional Concrete Mix. Class will explore concrete countertops, tables, shelves, back splashes, baseboards, fireplace surrounds, and sinks, covering both cast-in-place and pre-cast methods. Coloring, reinforcement and protective coatings as well as polishing and special effects will be taught. **Price: \$450 until January 21, July 22 or October 14 (depending upon the class date), \$525 thereafter.*

Stamped and Carved Vertical

May 16-17 & Sept 19-20

8:00 AM - 4:30

Over a two day period, learn the many and varied uses of the SS Vertical Mix, how to prep, reinforce, apply, stamp, carve and color for rocks, waterfalls, interior and exterior walls, fences, & fireplaces. You will be using SS Vertical Mix to create outdoor kitchen features. **Price: \$450 until April 16 or August 19 (depending upon the class date), \$525 thereafter.*

One Day Floors

July 26

8:00 AM - 4:30

Learn the importance of floor forensics, surface

interest to your floor. You will be shown pattern making, saw cutting, coloring and the use of stencils. Appropriate sealers for the specific uses will be discussed, and then applied to the overlay.

**Price: \$450 until Sept 24, \$525 thereafter.*

DIY classes For Homeowners:

Learning To Use Sealers

April 20

9:00 AM -11:30

April—it's time to enjoy the patio, get the pool deck ready, put some pizzazz on the driveway. The weather is perfect for applying a new coat of sealer on the weathered and dull concrete around the house. This course is designed to give the "do it yourself" homeowner the confidence to restore the concrete surfaces around your home with a fresh application of EYE POPPING sealer. Learn which is the best type sealer for your particular situation. We will teach you the tricks and the application methods used by the professionals. Enjoy a complimentary continental breakfast before joining the hands on training demonstration. **Price: \$20*

Learn How To Makeover Your Countertops With SS EZ Top!

June 8

8:00 AM -11:30

Is it time to replace the old laminate or tile countertops at your house? EZTop, a revolutionary concrete product, allows for the resurfacing of damaged and dated countertops with a concrete surface giving the appearance of a solid concrete countertop. This class will give you the instructions and training to update your kitchen or bathrooms with a one-of-a-kind concrete countertop. The EZ Top method does not require the expensive and messy tear out of your existing counters. For just under \$3.00 a sq. ft. enjoy a new and modern concrete countertop. A complimentary continental breakfast will start the morning, as you get acquainted with the instructors and other homeowner students. **Price: \$20*

Contractor Appreciation Days

Each Contractor Day from 10:00 AM –2:00 PM will feature different manufacturers and their reps to tell you more about their products and show you firsthand how they work. It's a great time for contractors to ask questions and get a free lunch! These Contractor Appreciation Days are FREE for contractors.

Feb 8 Fresh Pour Coloring: Integral, Color Hardener, and Powder Release.

May 3 Hot Weather Pouring: FritzPak, Super Plastizers, Control Finish, Mini Delay.

Sept 13 Cold Weather Pouring: FritzPak and NCA.

Nov 8 Countertops: Stegmeier and SS Specialties.

Overlays/Spray Base Exterior

April 4-5

8:00 AM - 4:30

This class will use pattern and seamless tools, showing borders, ribbons and inlays. Mixing, coloring options, application techniques, detailing imperfections, and sealer /coating options. Skim coats and spray knock downs, the use of adhesive Artcrete stencils, fiber reinforced tape and hand carved designs will all be shown over this two day class. **Price: \$450 until March 4, \$525 thereafter.*

preparation, and proper selection of the One Day Floor systems to meet specific project conditions. Use the Moisture Mitigating system to reduce vapor transmission of more than 10 pounds to less than 2 pounds. Learn methods and techniques to properly apply this versatile material. **Price: \$250 until June 26, \$275 thereafter.*

Interior Overlay

October 24-25

8:00 AM - 4:30

This two day class will cover the numerous methods of using overlay products to give new life to existing concrete floors, which may be damaged or stained. Learn various troweling techniques which will provide texture and visual
