From There. To Here. With You!

We drink it all of the time, but how much do we really know about it?

With Crimson Cup's new educational sessions, you will be able to grow your knowledge, your palate and your appreciation for high grade coffee and tea.

The classes currently offered are:

C101 • Coffee - What/Where/How

\$15/person

This introductory class is meant to provide a crash course on all things coffee. Topics include:

What exactly IS a coffee bean?

Where can you grow great coffee and why do different regions make the coffee taste different?

How is the coffee picked, processed, roasted and brewed.... and the importance of each step along the way.

Appropriate for: Everyone!

Gift: 8oz bag of Coffee

C102 • Single Cup Brewing

\$20/person

During this class, we will demonstrate and sample the same coffee brewed in three devices:

Chemex, v60, and Press Pot.

Comparisons will be drawn for the differences that each method produces and why someone would choose one over the others.

Appropriate for: The Enthusiast

Gift: Sample bag of coffee and 15% off Brewing Equipment

C103 • Origin Tasting (repeatable)

\$10/person

Each class will feature the week's featured Brew Bar coffee. Cupping techniques and protocol will be taught and followed.

Background on each coffee will be provided, and taste/flavor/aroma/body/acidity will be exchanged amongst participants.

Appropriate for: The Connoisseur

Gift: Sample bag of coffee and free drink from the Brew Bar

T101 • Introduction to Tea

\$15/person

Camellia Sinensis - the true one and only Tea plant. Learn of the methods this plant is processed and the resulting tea (White, Green, Black, Oolong, Pu'erh).

Tea alternatives will also be discussed, along with health benefits associated with each.

Appropriate for: Everyone!

Gift: 25% off any Tea or Equipment
