

## About ENO

Eagles Nest Outfitters, the brain child of two brothers Peter and Paul Pinholster, was founded in the summer of 1999.

Growing steadily from a two-man, one-van operation, to the leading provider of ingeniously crafted parachute hammocks and outdoor accessories, the company offers the highest quality relaxation products for adventure travelers and outdoors lovers everywhere.

The company's products are sold in around 750 specialty outdoors, backpacking and winter sport retailers, premium-sporting goods retailers and major outdoor specialty retail chains, as well as online at [www.enonation.com](http://www.enonation.com).
