

# ReachAll Dental Recall from

The fastest and most inexpensive way to grow your practice is through Recall. In fact, if you can retain all of your patients in one month you can see a 3% annual growth without even adding a single new patient.

This is why we created **ReachAll dental recall**. PracticeMojo's exclusive ReachAll dental recall technology is specially designed to maximize the patients in your chairs. We leverage timely and personalized emails, text messages, postcards, and automated phone reminders within proven dental marketing campaigns to reactivate, schedule and remind your existing patient base.
