

10 Ways to Jumpstart **Corp Transparency**

- ✓ **#1 Plan:** Starting any eBilling strategy is simple - Convert your good intentions into actions with a search!
- ✓ **#2 List:** Choose a few providers that can deliver what you need and send an RFP to get more info!
- ✓ **#3 Evaluate:** Request demonstrations of ALL the providers to see how each product works.
- ✓ **#4 Decide:** Research each option thoroughly and choose the best one to build your process around.
- ✓ **#5 Install:** Get your system installed ASAP and begin setting up the system to work with your data!
- ✓ **#6 Train:** Make sure your provider includes adequate training for ALL parties using it!
- ✓ **#7 Deploy:** Get it into every vendor's hand that will submit electronic invoices to you. Let it work!
- ✓ **#8 Benchmark:** Start recording analytic data immediately to begin benchmarking on ALL tasks!
- ✓ **#9 Report:** Use the tools to establish which reports provide the transparency that ALL depts can use!
- ✓ **#10 Review:** Provide regular feedback and requests so providers develop new features to help all users!
