Yusen Logistics Launches New Korea LCL Service

Secaucus, New Jersey – Yusen Logistics, the global logistics and supply chain provider, continued its expansion in the trans-Pacific Less than Container Load (LCL) and Full Container Load (FCL) market by announcing their new Korea to Los Angeles LCL service.

The service features weekly sailings from Busan, departing on Sunday and arriving in Los Angeles 11 days later.

Yusen Logistics now operates an extensive LCL network departing from multiple trans-Pacific origin countries, strengthening their position in the trans-Pacific LCL market. Their new Korea LCL service is the latest innovation-driven solution that has made Yusen Logistics a leader in the transportation industry since 1955.
