Join the **Breakthrough Intervention** Movement in 2013!

Brad Lamm's **Breakthrough Intervention** skills training equips you to learn and grow, to thoughtfully, ethically, and effectively engage this best practice approach while expanding your work.

Breakthrough Intervention combines Invitational Intervention with a powerful long-term family recovery curriculum. IICB CEU's available upon completion. CAADAC CEUs pending.

As featured in Brad's books:
**How to Help the One You Love
JUST 10 LBS
Family Matters**

Participants are invited to move from initial skills training to certification in this method through supervision of two case studies.
