Service to Seniors Awards 2013

Society of Certified Senior Advisors®

Hundreds, perhaps thousands, of committed, compassionate CSAs make a difference in the lives of seniors every day - but their stories often go untold!

The Society of Certified Senior Advisors® believes it is important to recognize the outstanding achievements of our members who are helping improve the lives of seniors through their volunteering efforts.

We are currently searching for our 2013 *Service to Seniors* award nominees. Chances are good that you are either one of these highly-motivated volunteers or that you may know a CSA who is. We invite you to share your experiences and successes by entering the 2013 *Service to Seniors* awards program in one of the following categories:

- **CSA Trailblazer:** recognizes a CSA who has created a successful new program that helps seniors.

- **CSA Community Citizen:** honors a CSA who has gone above and beyond in giving time, effort and talent to a senior-related organization or senior-related community improving the quality of life for seniors.

- **CSA Samaritan:** recognizes one-on-one efforts of a CSA who has provided exemplary service in meeting the needs of a senior.

Winners will be honored at the 2013 CSA Conference being held August 8-9, 2013 in Orlando, FL. The winner of each category will receive a $500 donation to the senior organization of their choice, plus free registration to the 2013 CSA Conference *(hotel and travel not included).*
