

The Ohana Kitchen Renovation Process

1. Initial design consultation
2. Proposal presentation
3. Finalize design and complete work scope
4. Project commitment
5. Material selections and ordering
6. Set up temporary kitchen
7. Demolition and construction
8. Project walk through
9. Throw out the paper plates and enjoy your new kitchen!

The Ohana Mission

- **Integrity** - we are true to our word and wish to form a relationship with each and every client
- **Innovation and education** - we are committed to continuing education, providing our clients with the latest industry standards
- **Trust** - our reputation is very important to us, the majority of our business is referral based
- **Communication** - clear communication and expectations are provided for all jobs
- **Respect** - we appreciate every client and fellow industry professional
- **Design** – we provide design services that meet the needs of every unique client
- **Sustainability** - knowledge of green-building methods
