

## Somerville Aluminum Achieves TrexPro® Designation and Offers Special Savings on Outdoor Living Spaces

*Somerville Aluminum has been certified as a TrexPro® contractor By Trex®, the largest manufacturer of composite decking and railing products in the nation. To commemorate this achievement, the central Jersey remodeling contractor will be offering special savings to homeowners.*

Somerville, NJ- March 2013- Somerville Aluminum, the area's largest home remodeling contractor, is celebrating its certification as a TrexPro decking and railing contractor with a "Triple Play" savings promotion for its customers. During the months of April and May, homeowners will receive special savings incentives on decking, awnings and sunrooms.

A TrexPro contractor must complete installation and product training on all Trex products and successfully meet requirements to obtain the TrexPro designation, in addition to being licensed and carrying general liability insurance as required by the state of New Jersey.

"Our number one goal is to provide the best service, craftsmanship and products to our customers. The TrexPro designation is another benchmark for us to ensure our customers have peace of mind when entrusting their homes with Somerville Aluminum," states David Gropper, co-owner of Somerville Aluminum.

Somerville Aluminum will be offering 20% savings on Trex Transcend® decking and railings as well as on Phoenix vinyl railing systems.

For comfort and shading on any deck, Somerville Aluminum installs motorized retractable deck and patio awnings by Eclipse Shading Systems®. Retractable awnings block up to 98% of the sun's harmful UV rays, while also providing significant cooling- all at the touch of a button. Awnings come in various sizes with over 200 designer fabrics to choose from. Somerville Aluminum is the #1 dealer of Eclipse retractable awnings in northern and central New Jersey. For a limited time, Somerville Aluminum will provide a free awning motor with any retractable awning purchased and installed.

For homeowners looking to extend their outdoor living space year-round, Somerville Aluminum installs sunrooms for three and even four season use. An old porch can be transformed into a gracious living area with walls of glass surrounded by the natural beauty of outdoor landscapes. As part of the Triple Play promotion, homeowners will enjoy 20% savings on sunrooms by Joyce™ Manufacturing. Joyce is the largest manufacturer of vinyl sunrooms in the United States.

A sunroom, deck and awning can extend living space in style, while providing comfort and value to a home. For full details on the Triple Play Promotion by Somerville Aluminum, please visit <http://www.somervillealuminum.com/latest-offers/>

Go with the Pro: Somerville Aluminum is the area's largest full service home remodeling company and has built a reputation for reliability, expertise and trust with their core family values lasting through three generations of service to Central Jersey homeowners. With the founding and guiding principle being about building a family and community oriented business, Brothers-in-law Gary Shiman and David Gropper approach each day and each job with their customers as their number one priority and strive to assure them that their home is in good hands.
