

FOR STUDENTS WHO WANT FOCUS, NOT JUST ENERGY

Improve Focus and Concentration Without Black Market Drugs

GungHo® is a focus supplement to help college students excel. Surveys show that 4 out of 5 students who take energy drinks/ shots really want focus – to study or ace exams. It's the perfect checkout impulse-buy for students – proven to increase focus, concentration and memory recall, not just energy – without the jitters or crash common to energy shots or drinks.

A Healthier, Safer Alternative to Energy Products

There is a student epidemic; a study in the Journal, Addiction, found that 25% of students have purchased Adderall® [focus drug] on the black market, leading to deaths & addiction. Students are also wary of the reported deaths linked to energy shots or drinks.
