

A universal, effective solution for transitioning military service personnel and their spouses to civilian jobs.

# **MISSION: TRANSITION**

**Mission: Transition Is a Comprehensive Job Search and Interview Training System**

**Resume Writing Kit and Template** – provides instruction to “translate” the high-value skills, discipline, and strong work ethic of military training into civilian job skills and highlight those skills for employers.

**Intensive Training on How to Get Interviews** – teaches job seekers to market themselves to employers aggressively and efficiently through resumes, networking, and social media.

**Interview Skills Development** – prepares job seekers for confident, successful interviews.

- Strategic Approach to Interviews
- How to Answer Interview Questions
- What Questions to Ask Potential Employers
- Interview Tools That Help Job Seekers Stand Out
- Compensation and Benefits Training

**Bi-Weekly Group Coaching** – provides opportunity for job seekers to join a group coaching call every other week and get solutions for their immediate and specific job search issues.

**Military-Specific Job Search Strategies** – solves special challenges facing a veteran or spouse, such as long-distance job searching, explaining employment gaps, and civilian networking.

## **Training Is Available Anytime, Anywhere**

- Training is provided online through videos, downloadable documents, and live internet connections.
- All training is accessible from any computer 24 hours a day, 7 days a week.
- Group coaching is available live online at specified times, and recorded for later access.

## **Why Career Confidential?**
