THE CURATED COLLECTION™ by Faramneh Media, the integrated book production and publishing company specializing in the highest quality lifestyle publications, is releasing

### SKULL STYLE: SKULLS IN CONTEMPORARY ART AND DESIGN Limited Edition

With striking imagery depicting use in modern art and culture, as well as interviews with the designers and artists inspired by it, Patrice Faramneh explores the use of the iconic symbol of the skull in this special tome with hand-painted cover. SKULL STYLE features work from over 100 most influential artists and designers of today, such as Ron English, Damien Hirst, Philippe Pasqua, Peter Tunney, Sante D'Orazio, Angelo Filomeno, Jan Fabre, Kate MacDowell, Agus Savage, Jean-Michel Basquiat, Kendell Geers, Mauro Perucchetti, Typoe and many others. **PATRICE FARAMEH**, an internationally published editor and creative force behind the Curated Collection is using her expert knowledge of the luxury and lifestyle industry to curate this beautifully illustrated book showcasing the best examples of the bespoke creation of today's most sought after design.

Artist **PETER TUNNEY** has hand-painted each individual cover for a very limited, no-two-books-alike edition of SKULL STYLE. Limited to 1,000 copies, each numbered and hand-signed by the artist which includes a personalized collage in the title pages of each book.
