Better Business Bureau Recognizes U.S.E.C. LLC, DBA: US Energy Consultants as the Winner of Distinction Award

HOUSTON, May 8th, 2013 - US Energy Consultants (www.usecllc.com) received the Distinction Award in the Energy Services, Power Products and Energy Marketers Category at the Better Business Bureau Awards for Excellence luncheon held Thursday, May 8th at the Westin Galleria. This was the second consecutive time USEC was recognized by the BBB for service excellence.

The BBB Awards for Excellence recognizes businesses and non-profits for their achievements and commitment to overall excellence and quality in the workplace. Proceeds from the event help fund the BBB Education Foundation, which educates consumers about scams and fraudulent business practices in the Greater Houston area.

When asked what it means for USEC to receive this recognition, Mikhail Skachko president and chief executive officer of USEC said “ We worked hard to maintain the highest level of professionalism and integrity with-in the industry, at the end of the day it’s the effort of every individual within our organization that catapulted USEC into the position of being awarded the Distinction Award two years running, my hat goes off to the operations, customer service and our field agents.”

About US Energy Consultants

www.usecllc.com

Founded in 2008, USEC is an independent energy consulting and brokerage firm. USEC works hand in hand with commercial entities by navigating them through the deregulation terrain. With offices in 4 states USEC positions it self to have the leverage of a large broker shop but still maintain the flexibility to help businesses of all sizes. USEC offers energy procurement and management services to more than 2,900 diverse clients of all sizes, including commercial and industrial businesses, hospitals, property management companies, and nonprofits.
