

3rd International Conference and Exhibition on
Metabolomics & Systems Biology

March 24-26, 2014 Hilton San Antonio Airport, USA

Conference Secretariat

5716 Corsa Ave., Suite 110, West Lake, Los Angeles, CA 91362-7354, USA
Ph: +1-650-268-9744, Fax: +1-650-618-1414, Toll free: +1-800-216-6499
Email: contact@metabolomicsconference.com

Invitation

The annual Metabolomics conference mainly aims in bringing Metabolomics and Systems Biology researchers from around the world under a single roof, where they discuss the research, achievements and advancements in the field.

After the success of Metabolomics-2012 & Metabolomics-2013, OMICS Group Inc., is proud to announce the 3rd International Conference & Exhibition on Metabolomics & Systems Biology which is going to be held during March 24-26, 2014 at Hilton San Antonio Airport, USA.

Metabolomics-2014 meeting promises a program with full of practical workshops and parallel sessions covering the broad range of biological and technological metabolomics topics, providing rich opportunities for networking and approach towards biomedical and biological scientific research.

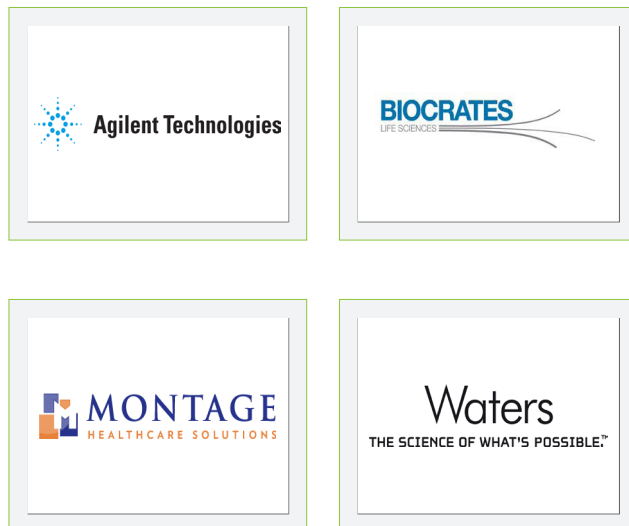

Join us at Metabolomics-2014 as we gather together to share ideas, insights and advances in the field of Metabolomics and Systems Biology.

The main theme of the Conference is "**Holistic Approaches in Envisioning the Role of Metabolites in Biological Systems**".

Regards,

Metabolomics-2014 Organizing Committee

About OMICS Group

OMICS Group Journals

- 300 Open Access Journals
- 21 Days rapid review process
- 20000 Editorial team
- 25000 Reviewers team
- 2 Million readers
- Publication within 7 days of acceptance
- Quality and quick editorial, review processing

Key Features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

OMICS Group Conferences

- 80 Conferences all over the World in 2014
- Well organized scientific program
- Well known delegates and speakers across the globe

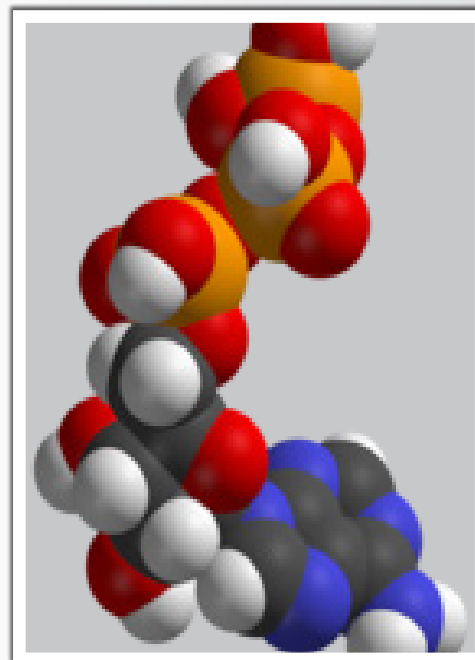

Key Features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by

The field of Metabolomics & Systems Biology is growing rapidly and its development is making tremendous impacts in Medical Sciences and Pharmaceuticals. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Metabolomics-2014

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals
 - Metabolomics: Open Access
 - Journal of Computer Science & Systems Biology
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging ideas
- Share your excitement in promoting Health Care, Clinical R & D
- Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Healthcare, Industry Developers

About San Antonio

San Antonio is the 7th most populous city in the United States of America and the second most populous city in the state of Texas, with a population of 1.3 million. It was the fastest growing of the top 10 largest cities in the United States from 2000-2010, and the second from 1990-2000. The city is located in the American Southwest, the south-central part of Texas, and the southwestern corner of an urban region known as the Texas Triangle.

San Antonio serves as the seat of Bexar County. The city has characteristics of other western urban centers in which there are sparsely populated areas and a low density rate outside of the city limits. San Antonio is the center of the San Antonio-New Braunfels Metropolitan Statistical Area. Commonly referred to as Greater San Antonio, the metropolitan area has a population of over 2.23 million based on the 2012 U.S. Census estimate, making it the 24th-largest metropolitan area in the United States and third-largest in the state of Texas.

San Antonio has a transitional humid subtropical climate and a hot semi-arid climate. The weather is hot in the summer, warm to cool winters subject to descending northern cold fronts in the winter with cool to cold nights, and warm and rainy in the spring and fall.

Venue

Hilton San Antonio Airport
611 NW Loop 410, San Antonio, Texas, 78216, USA
Tel: 1-210-340-6060
Fax: 1-210-377-4674

Transport Facilities

Area Airport **San Antonio International Airport**

- Head north-west on S Terminal. Dr towards Airport Blvd-0.4 mi
- Continue onto Airport Blvd-0.3 mi
- Turn right onto NE Interstate 410 Loop-0.9 mi
- Continue onto NW Loop 410-0.3 mi
- Take the slip road to Farm to Market Road 2696/Blanco Road-0.3 mi
- Merge onto NW Loop 410 Destination will be on the right-180 ft

Registration Details

Register Online
