BRYAN / COLLEGE STATION GAINS AN ONLINE RESOURCE FOR DIESEL SERVICES

Brazos Diesel Service offers a variety of services for your diesel engines, trucks, trailer, and construction equipment. Their new resource provides information on the company's services.

College Station, TX, July 9, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a new website for Brazos Diesel Service at <http://www.brazosdieselservice.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Brazos Diesel Service has been serving Bryan/College Station and the surrounding Brazos Valley for over 32 years with honesty and integrity. They take pride in their quality work and quality service. They also provide the best technicians - experienced, skilled & conscientious. There is no job too big or too small for Brazos Diesel Service; they are there to help!

Brazos Diesel Service offers a variety of services for your diesel engines, trucks, trailer, and construction equipment. This includes diesel engine repair, truck repair, trailer repair, construction equipment repair, industrial equipment repair, Allison transmission service, DOT inspection, and dealer of Detroit Diesel Series 60 & 2 Cycle. To learn more about the company's services visit their website today.

The new website provides an online resource for the company's diesel services in the Bryan / College Station area. This website provides an easy way for potential customers to gain information on the services that Brazos Diesel Service provides as well as their contact information, location, and hours of operation. The new website will help enhance the company's online marketing and hopefully bring in more customers as the company expands. The new online resource was made possible by Brazos Diesel Service and AgniTEK.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
