BRAZOS COUNTY GAINS AN ONLINE RESOURCE FOR LEGAL SERVICES

The Watson Law Firm is a Bryan, Texas based law firm with broad experience and talent to provide the highest level of legal service spanning many practice areas and industries. Their new online resource features news and announcements, blogs, an online contact form and more.

College Station, TX, July 11, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a new and improved website for the Watson Law Firm at <http://www.watsonlawyers.com>. The new website was designed and created by AgniTEK associates and is now live.

The Watson Law Firm serves Central Texas with broad experience and talent to provide the highest level of legal service spanning many practice areas and industries. Their legal team is uniquely positioned to handle both transactional and litigation matters. The Watson Law Firm offers highly successful and professional lawyers that will provide reliable and responsive representation. These lawyers provide legal services in the following areas: business and commercial litigation; business and corporate law; employment law and litigation; estate planning and probate; finance banking; oil and gas/mineral rights; real estate; and wrongful death and personal injury litigation.

The website provides potential clients with information about Watson Law Firm's lawyers and legal services that they provide. The website features plenty of resources like news & announcements, resource links, testimonials, a Bryan College Station lawyer blog, and more. The website also has an online contact form for potential clients to obtain more information in an efficient way. This online resource was made possible by AgniTEK and its associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software

application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
