

About Digiscribe

[Digiscribe](#) transforms the way companies manage and process their documents with [document scanning services](#), [document management software](#) and [workflow automation services](#). We have over 20 years of experience empowering companies with cost-effective solutions that are backed by industry certified technical support and award winning customer service. Digiscribe has one of the first SOC 2 Type 2 document conversion centers in the New York tri-state area. Digiscribe New England is a sister company of New York-based Digiscribe International.

The company is a top-ten worldwide reseller of Digitech Systems' Electronic Content Management product suite, a four year inductee into Digitech's Circle of Excellence, an AIIM Preferred Solution Provider, a member of the FileBound Executive Partner Council, a Westchester APEX award recipient and a certified BBB member. Digiscribe and Digiscribe New England are affiliated companies.
