Do you know your **TRUE** talent?

CDR Assessment Group, Inc. ASSESSMENT TOOLS

The **CDR 3-Dimensional Assessment Suite**® is a robust, accurate tool used to provide unique insights into one's **TRUE TALENT**.

What is measured?

- CHARACTER - strengths, best fit role, emotional intelligence
- DRIVERS - motivations and values
- RISKS - inherent career derailers

Clients report shaving two years off of the normal leadership development cycle time with the **CDR 3-D Suite**. This tool is the Swiss Army knife of assessments. It is used for multiple applications without retesting and produces an unrivaled value for clients.

The **360 Leader Scan**™ is a hard-hitting online multi-rater feedback instrument with 12 leader competencies, equipping leaders to perform beyond expectations.
