

GICC, Gaborone, Botswana 28-29 October 2013

**African.iam**  
nothing ordinary

**Botswana**

**Driving Africa. From few to many.**

## **Botswana 200 Business Assembly Programme Stakeholders**

**Maria Machaillo-Ellis, CEO**

### **The Botswana Confederation of Commerce, Industry and Manpower (BOCCIM)**

BOCCIM is a Business Association of Employers representing employers in all sectors of the Botswana economy in an advocacy capacity. The organization has won the confidence and respect of Government and other stakeholders in Botswana.

**Charles Siwawa, CEO**

### **Botswana Chamber of Mines (BCM)**

Established to serve the interests of the mining and exploration companies together with associated industries. The mining industry remains the main driver of economic activity in the country and is forecasted to sustain the economy further into the future.

**Hiran Mendis, CEO**

**Botswana Stock Exchange (BSE)**

The BSE continues to be pivotal to Botswana's financial system. To date it is one of Africa's best performing stock exchanges, averaging 24% aggregate return in the past decade. This has allowed the BSE to be the third largest stock exchange in terms of market capitalization, in Southern Africa.

**Dziki Nganunu, MD**

**Botswana Insurance Company (BIC)**

(Stakeholder Chairperson)

BIC's story is one rooted in local ownership and investment since its incorporation on the 12th August 1975. BIC aspires to be the insurer of choice in its market. It also provides services that surpass the expectations of its clientele.

**Lily Rakorong, CEO**

**The Hospitality and Tourism Association  
of Botswana (HATAB)**

HATAB promotes excellence in hospitality and tourism in Botswana. The Association is an umbrella organization representing all sectors of the industry. Privately established and funded, it is a non-profit lobbying body for all its members.

**Agriculture  
Sector**

The voice of business

**Michael Diteko**

**BOCCIM High Level Consultative Council**

**(Agriculture)**

The HLCC, chaired by the State President, meets twice a year to consider and resolve matters related to the performance of the economy.

**Alan Boshwaen CEO**

**The Botswana Innovation Hub (BIH)**

BIH is mandated to support new ventures and existing companies as well as attract companies, universities, research institutions and advanced training institutes to establish in the BIH. This development is intended to transform Botswana into a technology-driven and knowledge based economy by promoting a culture of innovation and competitiveness of its associated companies and knowledge-based institutions.
