

HIRE OUR HIT MAN

CRUSH
FROM DSP

If you want your old hard drives to sleep with the fishes, say Hello to our little friend "Crush." Crush destroys and eliminates up to 200 hard drives an hour. Need backup tapes, DVDs or CDs eliminated? You've come to the right place. "Crush" is a stone-cold killer who'll get the job done because he knows "Dead drives tell no tales." For more information, visit us at onesafeplace.com or call 972-465-8602 or 877-202-7434.
