

Perspectives on the Future of Agriculture

How do you see the future of agriculture?

Tell us and you could win up to \$500!

For the past 150 years, Bayer has been committed to our mission of Science For A Better Life. Help us make the next 150 years a success by sharing how you see the future of agriculture. Four lucky people will win \$250 and one grand prize winner will receive \$500!

Growers can earn up to \$150 in cash-equivalent Innovation Plus™ points by entering the sweepstakes, sharing entries on social media and bringing the sweepstakes confirmation email or direct mail invitation to check-in at the photo booth or Innovation Plus area inside the **Bayer CropScience booth #441 at Farm Progress Show 2013**. See official rules for details.
