**FOR IMMEDIATE RELEASE**

**Atlas RFID Solutions' Growth Rate Earns Inc. 5000 Rank for a Second Time**

*Auto-Identification Solutions Company Ranks No. 928 on 2013 Inc. 5000 List with Three-Year Sales Growth of 471%*

**Birmingham, Ala., August 21, 2013**—Atlas RFID Solutions, [the world leader in comprehensive RFID solutions](#), today announced that Inc. magazine has published their 2013 500|5000 List of the Fastest Growing Companies in America and ranked Atlas RFID Solutions No. 928 on the list of companies.

According to the congratulatory letter from Editor in Chief of Inc. Magazine Eric Schurenberg, the Inc. 5000 was harder to get into this year than ever in its history. "The median company on the list increased sales more than 140 percent since the start of 2010," Schurenberg stated. The median honoree grew an impressive 142%. Atlas RFID Solutions reported a three-year sales growth of 471%.

"More and more companies in the construction, auto, manufacturing and entertainment industry are realizing the benefits of auto-identification technology such as barcodes, passive and active RFID," said Robert Fuqua, Atlas RFID Solutions' CEO. "Atlas provides a unique combination of hardware and software expertise to help our clients realize efficiencies within their current processes by providing real-time, accurate information using automation. We are excited to see the growth in our company and look forward to even more adoption of this technology."

The 2013 Inc. 5000 list measures revenue growth from 2010-2013. To qualify, companies must be U.S. based, privately held, for profit, independent – not subsidiaries or division of other companies, have generated revenue by March 31, 2009, and have had at least \$2 million in revenue in 2012.

The 2013 list included rising stars such as LivingSocial, Bojangles, Otterbox, KT Tape and Alex and Ani. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at <http://www.inc.com/inc5000/list>.

**About Atlas RFID Solutions**

Atlas RFID Solutions, Inc. serves the global marketplace, bridging the gap between the capabilities of [auto-ID technology](#) and the commercial needs of efficiency-conscious firms. Its proprietary construction-focused asset management solution, Jovix™, has been deployed at industrial construction sites in the United States, China, Thailand, Australia and Canada. Atlas has also built customized RFID solutions for

international clientele and operates a retail business line that serves more than 2,000 customers worldwide with its e-commerce site, [www.atlasRFIDstore.com](http://www.atlasRFIDstore.com). For more information, visit [www.atlasrfid.com](http://www.atlasrfid.com) or call +1 205 383 4428.

### **About Inc. and the Inc. 500|5000**

#### **Methodology**

The 2012 Inc. 500|5000 is ranked according to percentage revenue growth when comparing 2008 to 2011. To qualify, companies must have been founded and generating revenue by March 31, 2008. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2011. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2008 is \$100,000; the minimum for 2011 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000, which can be found at [www.inc.com/500](http://www.inc.com/500).

#### **About *Inc.***
