WEBITE SOLUTIONS COMPANY ANNOUNCES ONLINE RESOURCE FOR WESTERN TACK STORE

Kyle Tack, a company that sells quality tack for the professional horseman recently gained a new web resource with an online shopping cart feature. This web resource was created by the associates of AgniTEK.

College Station, TX, August 22, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website with an online shopping cart for Kyle Tack at <http://www.kyletack.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Kyle Tack, a company that sells quality tack for the professional horseman recently gained a new web resource with an online shopping cart feature. Kyle Tack offers all kinds of western tack including saddles, bits, spurs and straps, tack, buckles and conchos, headstalls, reins, cinches, saddle pads, training equipment, stirrups, equine leg protection, blankets and sheets, halters and leads and much more. All of the products offered by Kyle Tack are good quality for a good price. To learn more about their products, visit their website today.

The Kyle Tack website features a high quality online shopping cart to enable customers to easily shop and order all products. The software for the shopping cart allows Kyle Tack to upload descriptions, photos, pricing, and other information for each product. The module also allows an easy method to manage and organize all products that is ideal for a company with as many products as Kyle Tack has. This online shopping cart feature was made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
