e-MD™ for cyber liability provides coverage for patient notification and credit monitoring costs, network security and privacy, data recovery costs and media liability.

Broad coverage for HIPAA and other regulatory exposures is included as part of the MEDEFENSE Plus endorsement.

Other features include:

- ▶ Coverage for both employees and independent contractors
- ▶ Medical director's administrative duties, good faith exams and incidental patient care
- ▶ Short, straight-forward application process

Insuring the Medical Spa Industry for well over a decade.
