Pathways' friends and supporters gather each fall to recognize outstanding leaders in hospice care, public service, and philanthropy, and to assure that Pathways will continue to provide compassionate care for our community.

**Book signing to follow the
Breakfast.**

This year's featured speaker is retired CIA agent **Tony Mendez**. Tony is the author of *Argo*, which inspired the film that won three Oscars this year, including the coveted Best Picture award.

Chief of Disguise at the CIA, Tony devised and conducted a daring operation to rescue six American diplomats from Iran during the hostage crisis, for which he was awarded the Intelligence Star for Valor. Tony, along with his wife Jonna, will tell the riveting story behind the book and the movie.

On a personal note, Jonna says, "I have lost three members of my family over the years, and hospice was there for each one. This family has nothing but the highest respect for the care and dignity that hospice provides. We are honored to speak at One from the Heart."
