About Modern Healthcare

Modern Healthcare is the industry's leading source of healthcare business and policy news, research and information. Modern Healthcare reports on important healthcare events and trends, as they happen, through weekly print magazine, websites, e-newsletters, mobile products and events. Readers use information to make informed business decisions and lead their organizations to success. It's for this reason that *Modern Healthcare* magazine is **ranked No. 1 in readership among healthcare executives** and deemed **a "must-read" by the who's who in healthcare.**

Modern Healthcare **leads the market in editorial excellence** and is honored to receive awards from ASBPE, ASHPE American Business Media, Trade Association and Business Publications International and the Association of Health Care Journalists, affirming Modern Healthcare's status as the best source for healthcare business and policy news, research and information.

Each year this program singles out and recognizes outstanding employers in the healthcare industry on a national level. The program collects information from both the employer and employees and is open to all companies (providers, suppliers, payers) with at least 25 employees. Employers complete a survey detailing the company policies and practices, benefits, and demographics. Employees are asked an in-depth set of questions that result in an analysis in 8 core areas including *Leadership and Planning, Culture and Communications, Role Satisfaction, Training and Development, Pay and Benefits, Working Environment, Relationship with Supervisor, and Role Satisfaction.*
