## Event Details

Do you want to make men's toes curl? Are you ready to discover new ways to give amazing pleasure and keep them coming back for more? Expand your hands-on skills to make prostate massage, strap-on play, and sensual massage part of your erotic repertoire! Whether you're new to these practices or you've been doing them for years, Triambika Vive, founder of the Ecstatic Awareness Institute, and Charlie Glickman PhD, author of *The Ultimate Guide to Prostate Pleasure*, will reveal the skills you need to take your partner to the next level and rock his world. You'll learn lots of amazing pleasure techniques, including:

- extraordinary erotic massage moves for the penis and testicles
- all the essentials for giving mind-blowing prostate pleasure
- how to include toys and strap-ons for prostate stimulation
- tips and tools for addressing men's common sexual concerns
- useful skills to maximize pleasure and enhance sensuality

Be prepared for an inspiring weekend full of new, fun, and exciting tricks!

This workshop will include plenty of time to try the techniques on both silicone dildos and a practice partner. Bring your own dildo or use one of ours. Participants are responsible for bringing someone to work with on Sunday afternoon, 2-4 pm.

All genders and sexual orientations are welcome. Please bring:

- your favorite unscented massage oil
- a silicone lubricant
- a sheet for the massage table
- two towels
